

ABOUT HACKER HALTED 2019

OCTOBER 10 & 11 - ATLANTA, GA

Hacker Halted is a global series of Computer and Information Security conferences presented by EC-Council. The objective of the Hacker Halted conferences is to raise international awareness towards increased education and ethics in IT Security.

The Hacker Halted 2019 theme is: Secure Your Data...Not All Treasure is Gold.

“ I came to this conference to decide whether or not I wanted to go into this field and Chris's presentation was a big factor in helping me decide that this is something I want to do. He is an effective and dynamic speaker with the ability to explain the material to a diverse audience. It was the highlight of the 1st day. Thank you.
